

**Why must Sky2c obtain authorization or power of attorney (POA) in order to facilitate U.S. export clearance via AES (Automated Export System) for a standard export transaction?**

Authorized agents or Forwarders are required by law to obtain authority from the USFPI in a standard export transaction who has enlisted the services of the forwarder. This is stated in the Foreign Trade Regulations (FTR) of the U.S. Census Bureau 15 CFR 30.3 (c) (2) (ii). In a routed export transaction, we must obtain the POA from the Foreign Principal Party in Interest (FPPI) 15 CFR 30.3 (e) (2).

**What if my export shipment does not require the Electronic Export Information (EEI) to be transmitted or I file the EEI myself?**

For these transactions, Sky2c does not require POA to process the export shipment. However, if for some reason you require Sky2c to sign any other export document on your behalf (eg. Letter of credit purposes or Certificate of Origin), Sky2c must obtain written authority to do so.

**What options do I have in providing Sky2c with authority to file my EEI via AES or to sign any other export documents on my behalf?**

- 1) Complete the attached Export Power of Attorney form. It is valid until written revocation is received or an expiration date is added. An original form is not required.
- 2) Complete a Sky2c Shipper's Letter of Instruction (SLI) form which can be downloaded from the following link: <http://www.sky2c.com/forms/sli.pdf> by signing box 25 on this form, you are giving Sky2c the required authority for the single export transaction declared on the SLI. You will need to provide this form for each shipment which requires EEI to be transmitted via AES or for Sky2c to sign any export documents on your behalf. Original form is not required.
- 3) A valid formal Sky2c POA required for import purposes may also be used for export control purposes. In order to comply with the completion requirements for this form, please contact an import specialist from your local Sky2c branch. This POA will give Sky2c full authority to sign and process all export documents and allow us to transmit your shipment details via AES. This authority will only expire if you show an expiry date on the POA or revoke it in writing at a later date. Original form is required.
